To login, use your first name and telephone number. Select schedule tab to set up day / time of your conference.

The image displays two screenshots of the appointment website interface. The left screenshot shows the 'Customer Log-in' form with the following details:

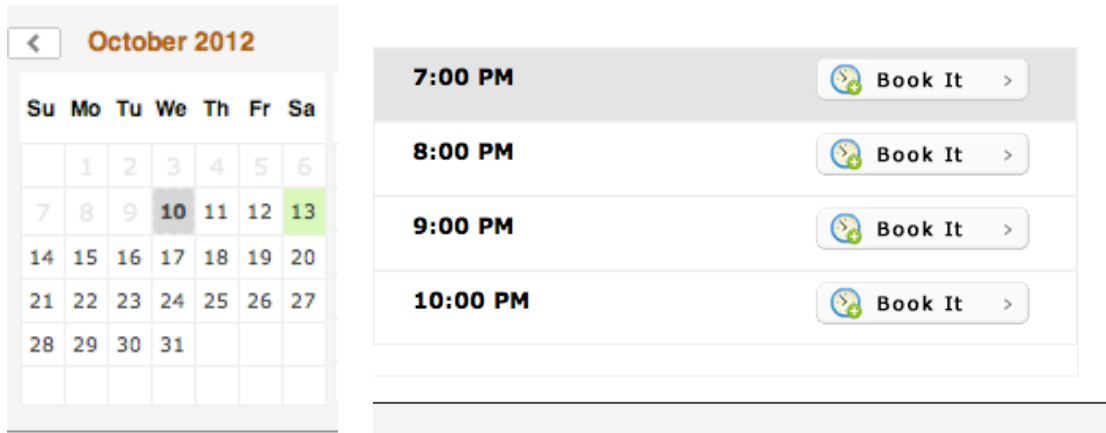

- First Name:** Dave
- Phone Number:** 7328038579 (with a 'Forgot?' link)
- Remember Me:**
- Buttons:** Log-in, Create Profile

The right screenshot shows the 'Schedule' tab with the following details:

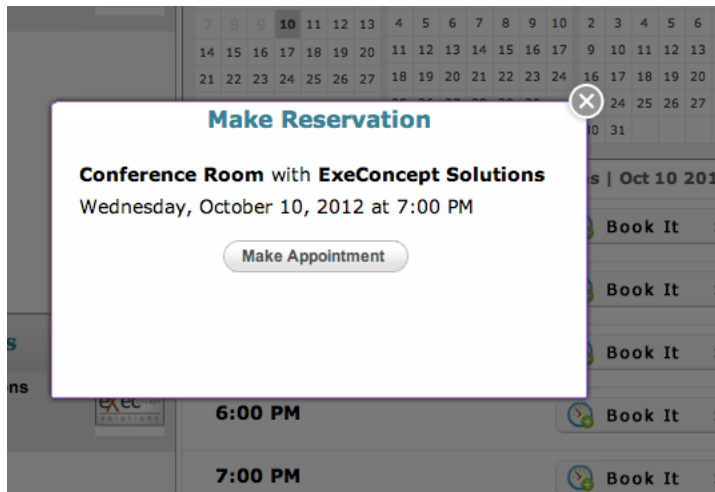

- Header:** Schedule | My Profile
- Message:** Please schedule your conference room appointment. Time slots are available in one hour increments.
- Search:** Search
- Select Services:** Conference Room (1 Hr | More...)
- Select Admins:** ExeConcept Solutions (\$ 0.00 | More...)
- Calendar:** A calendar view for October 2012, November 2012, and December 2012. The date October 10, 2012, is selected.
- Time Slots:** A list of time slots for October 10, 2012, with 'Book It' buttons for each:

Time Slot	Action
3:00 PM	Book It >
4:00 PM	Book It >
5:00 PM	Book It >
6:00 PM	Book It >
7:00 PM	Book It >
8:00 PM	Book It >
9:00 PM	Book It >
10:00 PM	Book It >

You can schedule your appointment up to 6 months in advance. Select month and day and then select the time.

A confirmation screen pops up and you will need to confirm the appointment by selecting the Make Appointment button.

Under the next screen you can make modifications, map the location for other attendees, synchronize with your calendar, or print off the schedule. There are four icons – the arrow is to reschedule, the clock icon is to make another appointment, the outlook icon is to synchronize with calendar and the x icon is to cancel the appointment. If you look under the “my appointments” tab, all of your appointments will be listed for easy review. You will also receive a confirmation via email.
